2010 Southwestern Exposition – jr	_____	_____
2010 Houston – junior	_____	_____

Two other major shows

Two club / Chapter Shows

Other County Shows / Fairs

Total _____

How to calculate the Exhibitor points.

This year you will be able to count points on two heifers. You must designate the two heifers and use the same two heifers for the entire year. When you figure the points for each show if both heifers went to the show use only the highest placing heifer's points. Calculate the points as follows:

Premier Junior Show:

Places 1 thru 6: 30-25-20-15-10-5

Grand Champion will be worth an additional 12 points Reserve Grand will be worth an additional 7 points. Divisions will be worth an additional 10 and 5 points. Use this scale for only the Premier Junior Heifer Show.

National / Major shows:

Places 1 thru 10: 20-18-16-14-12-10-8-6-4-2

Grand Champion will be worth an additional 10 points and Reserve worth an additional 5. Divisions will be worth an additional 5 and 3 points.

Chapter / Club / County Shows:

Places 1 thru 10: 10-9-8-7-6-5-4-3-2-1

Grand Champion will be worth an extra 5 and reserve is worth an extra 3. If the show has divisions (Calf, Yearling, and Senior) grand is worth 3 and reserve 1. If the show has an Overall Grand competing against other breeds, the points are 10 and 5.

Please return these to Pat Stults 4625 Martin St., Ft. Worth, TX 76119 by May 1,2010. You can fax them to 817-534-0490. Call with any questions at 817-534-0044.
