Hello Santa Gertrudis Enthusiasts

What a great spring. Lot's of rain, green grass, people interested in Santa Gertrudis cattle. We are going to have a powerful set of bulls to bring you with proven genetics. This is your opportunity as breeders to pick up your next herd sire. Really good Pairs, 3N1's, Open and Bred Heifers will be available. This is a very exciting time to be in the cattle business whether you are a new comer or long time breeder. Come out and support your favorite breed of cattle. Kevin Wilkerson our new president will be having a Field Day after the sale. The Junior Heifer show will be on Sunday at 10:00 a.m. We would love to have you in attendance. Until May 22nd,

Sincerely,

Darrell Pitchford

Sale Chairman

David Crawford

Co- Sale Chairman

Comments: This growthy Star 5 heifer has been halter broken and has a superb disposition. With a deep body, strong top line and breed age she will be able to show or become a great replacement in your breeding program. Her dam is Cotton Branch breeding, her sire is moderate framed with great calving easy.

Purchaser: _____ \$ _____

Terms and Conditions

Bidding: Each lot on which there are two or more bids will be sold to the highest bidder.

Disputes: The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

Terms: The terms are cash or check to be paid the day of the sale unless prior arrangements have been made.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold, but not delivered until settlement has been made.

Registration Papers: Registration certificates on each animal will be delivered direct to S.G.B.I. after the buyer's check has cleared the bank. You will receive your certificate direct from the office of S.G.B.I.

Announcements: Announcements from the auction box will take precedence over the printed matter in the sale catalog.

Liability: All persons attending the sale do so at their own risk. The owner or sale management assumes no liability, legal or otherwise for any accidents which may occur.

Screening: All sale cattle shall be inspected.

Health: Health paper issued within thirty (30) days of sale date eligible for interstate shipment except as otherwise announced:

A. Heifers over four (4) months of age are required to be calfhood vaccinated for brucellosis.

Guarantees: All weaned animals that sell are guaranteed breeders. Females safe in calf or nursing a calf are considered to be breeders without further guarantee. Any animal that has not proven itself a breeder within six months after sale date, or six months after reaching 18 months of age, if in healthy condition and meeting the health regulations of the state may be returned to the seller's ranch at the buyer's expense. The seller reserves the right of trying, for a period of six months, to prove the animal a breeder. If proven a breeder, the animal will be returned to the buyer at the buyer's expense. Should the animal fail to prove a breeder in a specified period, an adjustment will be made of equal value or a refund of full purchase price. The return of the full purchase price shall in any case be deemed full satisfaction and settlement. If a female sold as "open" proves to be with calf, the purchase may return the animal to the seller for a refund of the full purchase price or for another animal of equal value, whichever is acceptable to the purchaser. It shall be the obligation of the purchaser to bear any expense incurred for transportation. Animals selling in the sale sell on their own merit and no guarantee as to their "ability to classify" is in any way warranted.

Semen: All semen sold must be from a DNA blood typed bull on record with S.G.B.I.

Rights and Obligations: The above terms and conditions of the sale constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both. Animals resold, following purchase in the sale, shall constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Screening Standards

Animal Identification

All animals must be accurately identified: (Tattoo, Fire Brand, &/or Breeze Brand) Registration and transfer must be completed and signed. Calves under two months of age can have IPRA and transfer as adequate information.

Quality and Soundness

1. All animals must be in good flesh and sale preparation with hooves trimmed. Any animal not meeting these requirements will be automatically removed from the sale offering.
2. All sale animals must be free of genetic defects such as hernia, double muscling, free martins, etc. Any female exhibiting udder problems or signs of a possible problem will be removed from the sale offering. All cattle offered and accepted for sale must be free of all disqualifications stated in the SGBI Standards of Excellence.
3. All Sale animals must not be surgically altered, with the exception of dehorning.
4. A calf at side must have the potential to be a purebred, registered animal.

Fertility

Any male or female exhibiting visual signs of infertility or extremely low fertility will be removed from the sale.

Females – Accepted up to six (6) years of age.

1. Two years and older, females must be palpated safe in calf by a licensed veterinarian. Palpation must show female will calve before she is 36 months of age.
2. With calf at side over six (6) months of age must be palpated safe in calf by a licensed veterinarian. Females with calf over (9) months of age must be palpated safe in second trimester by a licensed veterinarian.
3. With calf under six months, may sell as exposed or open.
4. Open donor cow must sell with a recipient cow, certified to be pregnant by a licensed veterinarian resulting from a flush within six months of sale date. Recipient cow must be certified pregnant by a licensed vet within thirty days of sale date.

Bulls-Accepted up to five (5) years of age.

1. Any bull fifteen (15) months or older must be fertility tested and be confirmed a satisfactory breeder within thirty (30) days of the sale by a licensed vet.

Health

Health paper issued within thirty (30) days of sale date. Animal must be eligible for interstate shipment, except as otherwise announced.

1. Heifers over four (4) months of age are required to be calf hood vaccinated for brucellosis.

**Screening criteria shall be applied at the judgment of the
screening committee**
